

Ticket Donation Requests

Requests for donated tickets may be submitted via mail. Using your non-profit, charitable organization's official letterhead, please provide a description of your organization, the tax identification number (if applicable), and a brief statement of the reasons why you are requesting a donation. Organizations requesting donated tickets must also attach documentation confirming their status as a 501(c)(3) entity and agree in advance to provide documentation confirming the donation of any tickets.

Requests for donated tickets in letter form must be sent to:
Rosie Bone, Director of Youth Initiatives
c/o The Oakland Raiders
1220 Harbor Bay Parkway
Alameda, CA 94502

Please note that the Raiders receive a significant number of requests for donated tickets and that the requests for donated tickets routinely exceed the number of donated tickets that are available. As a result, despite the fact that the Raiders would like to fulfill all requests for donated tickets, there is no guarantee that any particular request for donated tickets will be fulfilled.
